

"REFER" PARENT LETTER

To the parents of _____:

Your baby had a hearing screen completed _____. The results of your baby's hearing screen suggests that further evaluation is needed. The need for the follow-up is not unusual, as many factors can effect the outcome of the screening.

Additional assessment should be completed within one month.

We have scheduled an audiology follow-up appointment for you. If this appointment does not work, please call the audiology department to re-schedule.

Your child has an appointment on _____ at _____.
